Federal and State Financial Aid

Financial aid is help for meeting college costs – both direct educational costs (such as tuition, fees, books, etc.) and personal living expenses (such as food, housing, and transportation). Each year, thousands of Idaho State University students rely upon student assistance funds to meet some of their college costs. The majority of these students rely upon federal and state student assistance programs which are managed by the Financial Aid Office.

Major financial aid programs available through the Financial Aid Office include the following:

- Federal College Work Study
- Need-based Nonresident Waivers
- Federal Supplemental Educational Opportunity Grants
- Federal Pell Grants
- Federal Student Loans
- Federal Parent Loans for Undergraduate Students
- Federal Graduate PLUS Loans

The application form used for financial aid programs through the Financial Aid Office is the Free Application for Federal Student Aid (FAFSA) (<https://fafsa.gov>). The FAFSA will cover one full academic year – fall, spring and summer semesters. Students are encouraged to submit their FAFSA as early as possible, preferably using the IRS Data Retrieval Tool to import tax information into the FAFSA. The FAFSA is available starting October 1st each year for the next academic year.

Financial Aid counselors are available to discuss students' concerns related to financial aid. The Financial Aid staff will describe the types of financial assistance available and will assist students with the application process. Financial Aid counselors can also assist students in determining the cost of attendance, how to manage money while in school, and how to identify alternative sources of funding.

Students must meet certain conditions in order to receive federal financial assistance through Idaho State University. The general conditions include the following: completion of a FAFSA to determine eligibility; admission and enrollment as a degree-seeking student in an aid-eligible major; meet Financial Aid satisfactory academic progress requirements; be a U.S. citizen or an eligible non-citizen; and not owe a refund or repayment on Title IV loans. Loans and work study require at least half-time enrollment. In some cases, students enrolled in fewer than six credits may qualify for Pell grants.

To obtain more specific information, contact the Financial Aid Office, Room 337, Museum Building, 921 S 8th Ave, Stop 8077, Pocatello, ID 83209-8077, (208) 282-2756 or visit the Financial Aid Office website at <https://www.isu.edu/financialaid/>.

Scholarships

The majority of scholarships at Idaho State University are administered by the Director of Scholarships with the assistance of various University committees. Scholarship funds are made possible through student fees, the generosity of individuals, and contributions of business, labor, fraternal, and professional organizations.

Scholarship criteria vary (i.e., minimum grade point average, financial need, major, etc). Scholarship announcements, including eligibility and application deadline information, are regularly distributed by the Scholarship Office through the Bengal Online Scholarship System (BOSS) (https://isu.academicworks.com/users/sign_in/). We also encourage students to talk to their major department for other departmental scholarships not listed in BOSS, and check local and national

organizations. The Scholarship Office bulletin boards located in the Hypostyle of the Pond Student Union Building often has additional information, tips on writing essays, etc. Please visit the Scholarship Office website (<https://www.isu.edu/scholarships>) for a link to apply through the BOSS system as well as receive other valuable information. Individuals seeking information on scholarships should contact the Scholarship Office:
