Idaho State University has offered courses in Twin Falls since the 1960s. As part of the University mission to serve southern Idaho residents, a center was officially established in Twin Falls in 1981 and soon after relocated to the campus of the College of Southern Idaho (CSI). As of 2020, residents of the Magic Valley are able to choose from 28 programs available to them through a hybrid of face-to-face, video conferencing and web courses, or fully online. They include associate through doctoral degrees and a variety of certification programs.

ISU-Twin Falls reports to the Office of the Provost, serving as liaisons to the community, to CSI, and to other ISU campuses. In addition, it provides full student support and services to prospective, transfer, and current ISU students, including those who are attending or planning to attend classes on other ISU campuses. Further support and assistance are available through an on-site Video Conference/Help Desk Manager, a fully-staffed TRIO office, and two full-time College of Education faculty.
