

# B.S. Fire Services Administration

**27-30 upper division credits required in the major.**

**Lower division (AS requirements)<sup>1</sup>, upper division, and electives must total a minimum of 120 credits.**

Fire Service Administration majors may earn either a bachelor of science degree in Fire Service Administration without a minor or a bachelor of science degree in Fire Service Administration with a minor in Emergency Management.

## Fire Services Administration Courses (27-30 upper division credits)

**Students must complete all 18 credits of the FSA Core Requirements, 9 credits of the FSA Non-Core Electives, and 30-33 credits of Free Electives. The FSA Internship is required for students with less than 5 years in Fire Services.**

Code	Title	Credits
<b>Core Courses (18-25 credits)</b>		
FSA 2250	Fire Science Integration <sup>2</sup>	4
FSA 3323	Fire and Emergency Services Administration	3
FSA 3325	Personnel Management for the Fire Service Administrator	3
FSA 3326	Fire Prevention Organization and Management	3
FSA 3329	Political and Legal Foundations of Fire Protection	3
FSA 3331	Community Risk Reduction for Fire and Emergency Services	3
FSA 3333	Applications of Fire Research	3
FSA 4409	Practicum-Internship	1-3
<b>Non-Core Elective Courses (9 credits required)</b>		
FSA 3324	Analytic Approaches to Public Fire Protection	3
FSA 3327	Fire-Related Human Behavior	3
FSA 3328	Disaster Planning and Control	3
FSA 3330	Fire Protection Structures and Systems	3
FSA 3332	Fire Investigation and Analysis	3
FSA 3334	Fire Dynamics	3
FSA 3335	Emergency Medical Services Administration	3
FSA 3336/EMGT 3306	Managerial Issues of Hazardous Materials	3

## Free Electives (30-33 credits) <sup>3</sup>

### <sup>1</sup> AAS Fire Science Transfer Students

Per standard ISU policy, students with an Associate of Applied Science Degree in Fire Science or Fire Services Technology may utilize up to 60 lower-division credits from their AAS to satisfy the 120 credit requirement for the Bachelor of Science in Fire Services Administration degree.

<sup>2</sup> This course requirement can be waived for students who have completed an AS or a BS degree. FSA 2250 is designed for students who have an AAS in Fire Science.

<sup>3</sup> Courses leading toward the Minor in Emergency Management (<http://coursecat.isu.edu/undergraduate/divisionhealth/emergencymanagement/minor-emergency-management/>) are recommended, but OPTIONAL, to meet the 30-33 Free Elective credits.
