

Physician Assistant Studies

Program

Program Description	Type	Degree
Pre-Physician Assistant, Minor (http://coursecat.isu.edu/undergraduate/college-of-health/physician-assistant-studies/minor-pre-physician-asst/)	Minor	

The Physician Assistant (PA) Program at Idaho State University awards the Master of Physician Assistant Studies (MPAS) degree and a PA certificate upon completion of its 24-month graduate curriculum. A new class of students is enrolled each fall semester. In addition to a baccalaureate degree, students must have a cumulative prerequisite GPA of 3.0 or higher for the following required prerequisite courses: Biochemistry, Microbiology, Human Anatomy (as a single course or as part of a two semester combined anatomy and physiology course), Human Physiology (as a single course or as part of a two semester combined anatomy and physiology course), Statistics, and Abnormal Psychology (or Developmental Psychology throughout the Lifespan). For information about requirements and courses, please refer to the Graduate Catalog (<http://coursecat.isu.edu/graduate/>) or the program website, <https://www.isu.edu/pa/>.

Accreditation

The program is fully accredited by the Accreditation Review Commission on the Education of Physician Assistants, Inc. (ARC-PA). Graduates of this program are eligible to take the NCCPA's Physician Assistant National Certifying Exam (PANCE).
