Pre-Speech-Language Pathology, Professional Certificate (http://coursecat.isu.edu/undergraduate/college-of-health/school-of-rehabilitation-and-communication-sciences/communication-sciences-and-disorders/pre-prof-cert-spl/)	Certificate		
Sign Language Interpreting, B.S. (http://coursecat.isu.edu/undergraduate/college-of-health/school-of-rehabilitation-and-communication-sciences/communication-sciences-and-disorders/bs-sign-language-interpreting/)	Degree	B.S.	
Sign Language Studies, A.S. (http://coursecat.isu.edu/undergraduate/college-of-health/school-of-rehabilitation-and-communication-sciences/communication-sciences-and-disorders/as-sign-language-studies/)	Degree	A.S.	
Sign Language Studies, Minor (http://coursecat.isu.edu/undergraduate/college-of-health/school-of-rehabilitation-and-communication-sciences/communication-sciences-and-disorders/minor-sign-language-studies/)	Minor		
Health Science, B.S. with Concentration in Pre-Occupational Therapy (http://coursecat.isu.edu/undergraduate/college-of-health/school-of-rehabilitation-and-communication-sciences/physical-and-occupational-therapy/bs-health-science-pre-ot-conc/)	Degree	B.S.	

Mission Statement

The shared mission of the School of Rehabilitation and Communication Sciences (SRCS) is to advance the overall missions of Idaho State University and the Kasiska Division of Health Sciences by educating current and future rehabilitation and communication science professionals. The SRCS fosters interprofessional academic and clinical experiences for the faculty and students to promote excellence in providing collaborative evidence-based practice and ethical patient/client-centered care. We serve the State of Idaho and the world by providing innovative, accessible learning experiences via on-site, distance and online courses, graduating knowledgeable, accomplished professionals, and influencing future professional practice through our vital contributions to research and creative scholarly activities.
