

# Family and Consumer Sciences 45 Credit Endorsement

The Family and Consumer Sciences Education major is designed to prepare beginning teachers with a strong background in all areas of Family and Consumer Sciences endorsement on a secondary teaching credential. In addition to the required major coursework, candidates must also complete the Professional Education Core (<https://coursecat.isu.edu/undergraduate/education/secondaryeducation/babs-secondary-education/>) coursework. Candidates must also have accumulated two (2) years (4,000 clock hours) of related work experience or shall have completed an approved practicum in their field of specialization.

It is recommended that a candidate complete the Family and Consumer Sciences Education major and a supporting teaching minor such as Consumer Economics, Health or Natural Science.

## Summary of Requirements for a Bachelor of Science Degree in Secondary Education with a Major in Family and Consumer Sciences Education
