In addition to degree requirements below, students must satisfy 8 of the 9 General Education Objectives (a minimum of 36 credits—see the Academic Information section of this catalog). Of the courses below, MATH 1170 (http://coursecat.isu.edu/search/?P=MATH%201170) will satisfy General Education Objective 3, while together, the CHEM and lower-division PHYS requirements will satisfy General Education Objective 5.
