Harris

(Summer Session to 1.5 Years)

One Basic Technical Certificate and one Advanced Technical Certificate are available. The program also offers Cosmetology Instructor training to industry professionals, which provides them with the educational prerequisites for state licensure as instructors in cosmetology and nail technology.

This program will provide students with the skills and knowledge to perform a variety of beauty services which cover all phases of the beauty culture such as manicuring, shampooing, hair styling, make-up application, temporary and permanent hair waving, hair straightening, bleaching and tinting, and various skin and scalp treatments. Graduate Cosmetologists will also have strong human relations skills and the ability to communicate with people.

For a Program Information Packet showing descriptions of each option, course descriptions, lists of course sequences, and the cost of books, tools, uniforms, fees, and other expenses, go online to http://www.isu.edu/ctech/cosmetology/.

Federal Student Aid is not available for the Basic Technical Certificate in Nail Technology. Students may apply for financial aid for the Advanced Technical Certificate in Cosmetology by going to http://www.fafsa.gov/.

All courses in the Cosmetology program require a letter grade of “C” or better in order to progress in the program and to graduate. A grade of “C” or better, in each course taken, is a prerequisite to continue to the next semester.

Basic Technical Certificate: Nail Technology
(Summer Session Only)

Required Course:
Successful completion is required to be eligible to take the State Board - Examination.
