## Mission and Goals

## Admissions Requirements

Applicants can be admitted to the MSW Program with Advanced Standing if they have earned a BSW/BASW from a Council on Social Work Education (CSWE) accredited BSW/BASW program within the previous 7 years and have substantial post-BSW/BASW social work practice experience. With Advanced Standing, students can complete the MSW degree in 35 credits. All other students must complete 59 credits in order to earn the MSW degree.

Most applicants are admitted for the Fall semester. However, because applicants with Advanced Standing admission have established foundational social work competency, they may be admitted for the Fall, Spring, or Summer semesters. Applicants for Advanced Standing admission should indicate which semester they intend to begin the MSW program.

All MSW applicants must have a grade point average of 3.0 or higher (on a 4-point scale), have earned an undergraduate degree prior to MSW enrollment, and submit all required application materials to the Graduate School. The MSW Admissions Committee reviews and approves all applications. Official admission is granted by the Graduate School.
