Program Description	Type	Degree
Dental Hygiene, M.S. ( <a href="http://coursecat.isu.edu/graduate/college-of-health/dentalhygiene/msdentalhygiene/">http://coursecat.isu.edu/graduate/college-of-health/dentalhygiene/msdentalhygiene/</a> )	Degree	M.S.

## Master of Science in Dental Hygiene

The Master of Science degree in Dental Hygiene is an advanced degree; therefore, the program is designed for students who are licensed dental hygienists with baccalaureate degrees. Graduates will be prepared for various career opportunities within the health-care arena.

### MS Program Outcomes

- Promote oral health of individuals and populations by engaging in activities related to management, leadership, and advocacy while maximizing interprofessional opportunities.
- Acquire research and scholarship abilities contributing to the dental hygiene scientific knowledge base.
- Demonstrate professional development through enhanced knowledge, values, and actions.
- Develop instructional and administrative knowledge, values, and practices to prepare future generations of learners.
- Develop, implement, and evaluate community or rural programs to advance the oral health of underserved populations.
