

Human Performance and Rehabilitation Sciences

Department Chair and Associate Professor: Tarang Jain

Athletic Training Program Director and Professor: Dani Moffit

Occupational Therapy Program Director: Catherine Canavan

Associate Professors: Deanna Dye, Michael Foley, Karla Judge

Clinical Associate Professors: Trent Jackman, James Ralphs

Clinical Assistant Professors: Bryan Arroyo, Devin Bean, Catherine Canavan, Jill S. Harris, Amanda Henscheid, Ankur Padhye, Brandon Payne, Kylee Permann, Adam Squires, Heather Steimlosk

Program Description	Type	Degree
Doctor of Physical Therapy (https://coursecat.isu.edu/graduate/nursing-rehabilitation-humanhealth/school-rehabilitation-humanhealth/human-performance-rehabilitation-sciences/dpt/)	Degree	Doctor of Physical Therapy
M.S. in Athletic Training (https://coursecat.isu.edu/graduate/nursing-rehabilitation-humanhealth/school-rehabilitation-humanhealth/human-performance-rehabilitation-sciences/msat/)	Degree	Master of Science
Master of Occupational Therapy (https://coursecat.isu.edu/graduate/nursing-rehabilitation-humanhealth/school-rehabilitation-humanhealth/human-performance-rehabilitation-sciences/occupational-therapy/)	Degree	Master of Occupational Therapy
Accelerated M.S. in Athletic Training to Doctor of Physical Therapy (https://coursecat.isu.edu/graduate/nursing-rehabilitation-humanhealth/school-rehabilitation-humanhealth/human-performance-rehabilitation-sciences/msat-dpt/)	Degree	Master of Science/Doctor of Physical Therapy
Accelerated B.S. in Exercise Science to M.S. in Athletic Training (https://coursecat.isu.edu/graduate/nursing-rehabilitation-humanhealth/school-rehabilitation-humanhealth/human-performance-rehabilitation-sciences/acceleratedexercisescience/)	Degree	BS/MSAT
Accelerated B.S. in Health Science to Master of Occupational Therapy (https://coursecat.isu.edu/graduate/nursing-rehabilitation-humanhealth/school-rehabilitation-humanhealth/human-performance-rehabilitation-sciences/mot-bshs/)	Degree	Bachelor of Science/ Master of Occupational Therapy

Student Learning Outcomes (SLOs) for the DPT program are:

- **SLO #1** Obtain the foundational knowledge and skills to sit for the national physical therapy licensure examination required to assume roles as competent entry-level physical therapists.
- **SLO #2** Gain experience in diverse practice settings or with a variety of patient populations.
- **SLO #3** Be skilled in patient education.
- **SLO #4** Develop habits of critical reflection and self-directed learning.
- **SLO #5** Acquire professional advocacy and inter-professional collaboration skills.

Master of Science in Athletic Training Program

We foster multidisciplinary learning opportunities that produce athletic trainers who are uniquely qualified in interprofessional healthcare settings.

Student Learning Outcomes (SLOs) for the MSAT program are:

- **SLO #1** Provide high quality educational experiences both clinically and didactically, preparing students for success on the Board of Certification's (BOC) national certifying exam.
- **SLO #2** Prepare graduates that practice with cultural competence and professional integrity.
- **SLO #3** Promote the use of Evidence Based Practice for the delivery of patient care.
- **SLO #4** Prepare graduates for employment in both traditional as well as non-traditional work environments associated with athletic health care.
- **SLO #5** Prepare the athletic training students to incorporate a positive working relationship with fellow students, athletic, and allied health community members.

Master of Occupational Therapy Program

The mission of the MOT program is to empower students to become resilient and innovative practitioners who foster the health and well-being of individuals and communities through the power of occupation.

The Student Learning Outcomes (SLOs) for the [MOT Program](#) are:

- **SLO #1** Graduates will exemplify occupation-based practice.
- **SLO #2** Graduates will provide holistic occupational therapy services.
- **SLO #3** Graduates will demonstrate professional reasoning skills which incorporate knowledge of occupation-based models and frames of reference, research evidence, and self-reflection.

Mission Statements and Learning Outcomes

Doctor of Physical Therapy Program

We educate physical therapists to make a difference in the health of their communities.
