

University Studies

Program Description	Type	Degree
University Studies, A.A. (http://coursecat.isu.edu/undergraduate/artsandletters/university-studies/aa-university-studies/)	Degree	A.A.
University Studies, B.A. (http://coursecat.isu.edu/undergraduate/artsandletters/university-studies/ba-university-studies/)	Degree	B.A.

The B.A. in University Studies and the A.A. in University Studies are non-specialist degree programs designed to meet the needs of students interested in broadly-based education grounded in the liberal arts. It provides greater flexibility and breadth in subject matter than provided by traditional degree programs. To learn more about the University Studies program, please contact:

Dr. John Gribas
Associate Dean for Fine Arts and Humanities
Professor / Communication, Media, and Persuasion
Office: BA 247
