

College of Health

Department website: <https://www.isu.edu/coh/> (<https://www.isu.edu/chp/>)

Students in the College of Health (COH) engage in challenging and contemporary curricula under the direction of highly skilled and nationally-recognized faculty. All programs in the COH are nationally accredited and graduates across all programs boast high employment/placement rates. COH graduates are highly regarded by their employers; many have become prominent leaders in their fields.

Academic programs within the COH represent some of the fastest growing occupations across the nation.
