¹ **Addiction/Dependency Counselor Certification:** Any Community and Public Health majors who wish to meet the standards of the ISAS and CADC certification through the Idaho Board of Alcohol and Drug Certification must complete the listed courses in the Addiction Studies Concentration. Additionally, the IBADCC Board requires a bachelor's degree for the CADC certification. Two courses are taught each semester and will be listed in the Class Schedule; contact the Department of Community and Public Health to learn which courses will be scheduled in the future.

² Elective courses should be selected according to the student's interests and career needs, in conjunction with a faculty advisor. The total number of elective credit hours may include any non-required HE course and any other approved elective.
