

Accelerated B.S. Dental Hygiene

Accelerated B.S. to M.S.

Students accepted into an accelerated undergraduate program may take departmentally approved graduate coursework as part of their undergraduate curriculum. These credits will count towards both their bachelor's and master's degrees and can fulfill major requirements, upper-division requirements, and/or free electives. For details on accelerated programs at Idaho State University, please see (Degree Requirements (p. 62)).

Once accepted into an accelerated degree program, it is strongly recommended for students to stay in close communication with their advisor regarding pursuit of acceptance into the Graduate School and the master's degree program at Idaho State University. Acceptance into an accelerated program during the bachelor's degree program is the first step in the admissions process. A separate application to the Graduate School is necessary for all accelerated programs. For more information regarding application and admission to the Graduate School at Idaho State University, please see the Graduate Admissions section of the graduate catalog (<http://coursecat.isu.edu/graduate/graduateadmissions/>).

Dental Hygiene Accelerated Criteria

This accelerated program provides an opportunity for outstanding bachelor degree dental hygiene students to complete a fast track program during the summer and last two semesters of the bachelor degree program. Students who have a cumulative 3.5 grade point average in their dental hygiene courses and senior standing may complete up to 12 graduate credits. These credits may be applied to both the undergraduate and graduate dental hygiene programs. Students must be in good academic standing with the department of dental hygiene and Idaho State University and have demonstrated successful completion of upper division courses in the bachelor degree dental hygiene program. Please contact the Graduate Program Director for more information. Once accepted into the accelerated program, it is recommended that students meet with the Graduate Program Director regarding acceptance into the Graduate School and the Master of Science Dental Hygiene program.

Program Admissions Requirements

Formal application for admission to the dental hygiene program must be submitted before January 15 of the year the student wishes to enter. Applicants must complete prerequisite courses and complete specific requirements for consideration. Applicants must have a minimum Cumulative Core and Natural Science Grade Point Average (GPA) of 2.8. Dental hygiene program information regarding current admission criteria and procedures can be obtained from the Dental Hygiene website at <https://isu.edu/dentalhygiene/>, or directly from the department. Application materials are submitted through the American Dental Education Association Centralized Dental Hygiene Application Service (<http://www.adea.org/dhcas.aspx>).

Admission to Idaho State University is a separate procedure and **must** be completed prior to application to the dental hygiene program. Students must provide verification of current CPR certification and vaccinations prior to beginning the program within the specified application year.

Academic Standards

To enroll in upper division courses with a dental hygiene prefix (DENT), students must be accepted for admission to the dental hygiene program. Each student is responsible for completing the required course work in proper sequential order. To be eligible for graduation and progression in the dental hygiene program, the student must have a cumulative grade point average of 2.25. Course work for which the student receives a grade below "C-" (C minus) will not be accepted as

fulfilling requirements for the Department of Dental Hygiene. The department chairperson must approve any deviation from these standards.

Prerequisite Courses

Code	Title	Credits
BIOL 2233 & 2233L	Principles of Microbiology and Principles of Microbiology Lab	4
Choose one of the following course sequences:		8
BIOL 2227 & 2227L	Human Anatomy and Physiology 1 and Human Anatomy and Physiology 1 Lab	
and		
BIOL 2228 & 2228L	Human Anatomy and Physiology 2 and Human Anatomy and Physiology 2 Lab	
or		
BIOL 3301 & 3301L	Advanced Human Anatomy and Physiology 1 and Advanced Human Anatomy and Physiology 1 Lab	
and		
BIOL 3302 & 3302L	Advanced Human Anatomy and Physiology 2 and Advanced Human Anatomy and Physiology 2 Lab	
CHEM 1101	Introduction to Chemistry ((Partially satisfies General Education Objective 5)	3
CHEM 1102 & CHEM 1103	Essentials of Organic and Biochemistry and Essentials of Organic and Biochemistry Laboratory	4
COMM 1101	Fundamentals of Oral Communication (Satisfies General Education Objective 2)	3
DENT 2201	Principles of Dental Hygiene	2
ENGL 1101	Writing and Rhetoric I (Partially satisfies General Education Objective 1)	3
ENGL 1102	Writing and Rhetoric II (Partially satisfies General Education Objective 1)	3
NTD 2239 or NTD 3340	Nutrition (Partially satisfies General Education Objective 5) Nutrition for Health Professionals	3
MATH 1153	Statistical Reasoning (Satisfies General Education Objective 3)	3
PSYC 1101	Introduction to Psychology (Partially satisfies General Education Objective 6)	3
SOC 1101	Introduction to Sociology (Partially satisfies General Education Objective 6)	3
All coursework must be completed with a grade of C- or above.		
Student must have a cumulative grade point average (GPA) of 2.25 or higher.		
Total Credits		42

• Elective course DENT 2220 (<http://coursecat.isu.edu/search/?P=DENT%202220>) is highly recommended for pre-dental hygiene students without dental office experience.

General Education

The listing below includes program requirements that also fulfill General Education requirements.

Code	Title	Credits
Objective 1 - ENGL 1101; ENGL 1102		6
Objective 2 - COMM 1101		3
Objective 3 - MATH 1153		3
Objective 4		6
Objective 5 - CHEM 1101		7
Objective 6 - PSYC 1101, SOC 1101		6
Students must fulfill Objective 7 or Objective 8		3
Objective 7		
Objective 8 - INFO 1101 (Recommended)		
Objective 9		3
Total Credits		37

- Elective course INFO 1101 (<http://coursecat.isu.edu/search/?P=INFO%201101>) is highly recommended as an elective for those individuals without computer skills and it may be chosen to satisfy General Education Objective 8.

Major Requirements

Code	Title	Credits
DENT 3307	Prevention and Management of Medical Emergencies	3
DENT 3308	Oral Histology and Embryology	2
DENT 3309	General and Oral Pathology	3
DENT 3311	Tooth Morphology	2
DENT 3312	Head and Neck Anatomy	3
DENT 3313	Clinical Dental Hygiene I	3
DENT 3313C	Clinical Dental Hygiene I Clinic	3
DENT 3314	Clinical Dental Hygiene II	2
DENT 3314C	Clinical Dental Hygiene II Clinic	3
DENT 3315	Preventive Dentistry	2
DENT 3316	Dental Materials	2
DENT 3318	Oral Radiology	2
DENT 3318L	Oral Radiology Laboratory	1
DENT 3319	Preclinical Restorative Procedures	2
DENT 3320	Pain Management	2
DENT 3321	Periodontology	2
DENT 4401	Research Methods	2
DENT 4402	Advanced Periodontology	2
DENT 4403	Advanced Clinical Theory I	2
DENT 4403C	Advanced Clinical Practice I Clinic	4
DENT 4404	Advanced Clinical Theory II	2
DENT 4404C	Advanced Clinical Practice II Clinic	4
DENT 4405	Dental Hygiene Seminar	1
DENT 4408	Ethical and Legal Principles	2
DENT 4411	Application of Restorative Therapies	2

DENT 4411C	Restorative Care I	1
DENT 4412C	Restorative Care II	1
DENT 4413	Community Health and Special Needs Populations	3
DENT 4414	Community Outreach Experiences	2
DENT 4421/6623	Leadership and Health Policy	2
DENT 4422/6605	Educational Strategies and Applied Methods	2
DENT 4424	Principles of Interprofessional Practice Management	3
DENT 3322	Basic and Applied Pharmacology for Dental Hygiene	2

All coursework must be completed with a grade of C- or above.

Student must have a cumulative grade point average (GPA) of 2.25 or higher.

Total Credits	74
---------------	----

Dental Hygiene Electives

Code	Title	Credits
DENT 3330C	Interim Clinic	2
DENT 3340C	Enhanced Strategies in Clinical Care	1
DENT 4481	Independent Studies in Dental Hygiene	1-3

Students in the accelerated BS to MSDH program can take the following elective courses at the 5000/6000 level that will count towards their graduate coursework.

Accelerated Dental Hygiene Graduate Electives

Code	Title	Credits
DENT 5596	Graduate Seminar I (Online)	1
DENT 6610	Special Care Populations (Online)	3
or		
	Elective Course at the 5000/6000 level (Online)	2-3
