

Pre-Professional Certificate in Pre-Audiology

The Audiology Pre-Professional Program is for students with a BA, BS, or higher degree in fields unrelated to Communication Sciences and Disorders. The Pre-Professional Program consists of undergraduate courses required for graduate-level coursework. The sequence below will provide the foundational coursework necessary to enter the regular course sequence of the Doctor of Audiology (Au.D.) Program at Idaho State University.

Program Requirements

Code	Title	Credits
CSD 2256	Deaf Culture and Community	3
CSD 3310	Speech Science: The Acoustical Nature of Sound and Speech	3
CSD 3340	Communication Development and Disorders: Lifetime Perspective	3
CSD 3341	Audiometry and Hearing Science	3
CSD 4405	Neuroscience for Communication Disorders	3
CSD 4445	Aural Rehabilitation	3
CSD 4460	Educational Audiology	3
The following courses are highly recommended, but not required.		
CSD 1151	American Sign Language I ¹	
CSD 4416	Audiology Methods and Applications ¹	
CSD 4417	Interdisciplinary Evaluation Team ¹	
CSD 4415	Clinical Practicum in Audiology ¹	
All requirements must be completed with a minimum GPA of 2.25 and all courses must be completed with a letter grade of "C-" or better.		
Total Credits		21

An undergraduate course in statistics or experimental design is required to complete the Au.D. if not taken as an undergraduate. This may also be taken as a graduate student elective.

A background in Sign Language is strongly encouraged. There is not a specific course required, but basic sign language skills are beneficial to you as a communication professional.

Successful completion of the Pre-Professional Program does NOT ensure the student a seat in the Doctor of Audiology Program. Students must apply by February 1st of the year he/she would like to enter the Doctor of Audiology Program.
