Major Requirements

| Code | Title | Credits |
|---|--|-----------|
| 12 credits from any combination of languages offered by the department or the equivalent demonstrated competency. With permission from Global Studies advisor, up to 6 credits of GLBL 2205: Study abroad (non-English speaking countries) may be used for language credits. | | 12 |
| GLBL 2202 | The World Today: Introduction to Global Issues (Satisfies General Education Objective 9) | 3 |
| or | | |
| GLBL 2270 | World Regional Geography and Cultures (Satisfies General Education Objective 9) | |
| GLBL 2203 | International Organizations Today: Conflicts and Cooperation (Partially Satisfies General Education Objective 6) | 3 |
| GLBL 3350 | Frank Church Symposium | 3 |
| GLBL 4493 | Senior Thesis/Capstone | 3 |
| POLS 2221 | Introduction to International Relations | 3 |
| The Global Health and Environment Concentration | | 12 |

This concentration helps students understand global trends in public health and/or the natural environment. Students pursuing this concentration prepare for careers in global public service with international health and/or environmental non-profits and inter-governmental organizations. Choose twelve (12) credits of upper division courses identified as global health and environment courses that have not been used to fulfill another program requirement or speak to your major advisor about what other courses may be used. Additionally, the senior thesis/capstone must be on a topic in global health and environment to be approved by the advisor.

| | |
|-----------|---------------------------------------|
