Such students may have Spanish 1101 and 1102 waived, and complete the degree with as few as 36 total credits. There are several ways to get transcribed credit for Spanish 1101 and 1102. Students who are uncertain of the appropriate course to take first in the Spanish program, or who have questions about how to receive credit for lower division courses and the associated General Education objectives, should speak with a Spanish program advisor.
- ² The 3300 Intensive Conversation course may be waived if the candidate earns an Intermediate High or above on the ACTFL OPI. If the 3300 conversation course is waived by the required score, the student may graduate with 41 credits. If the student does not earn the minimum score of Intermediate High, the student must complete 43 credits as indicated above. Please speak to an advisor.
