

Biomedical Sciences

Program Description	Type	Degree	
Accelerated Microbiology, B.S. (https://coursecat.isu.edu/undergraduate/ls-skaggs-pharmacy-health-professions/pharmacy/biomedical-sciences/accelerated-bs-ms-microbiology/)	Degree	B.S./M.S.	Biology, B.S. with Ecology and Conservation Biology Concentration (See Biological Sciences Department for details) (https://coursecat.isu.edu/undergraduate/scienceengineering/biologicalsciences/bs-biology-ecb/)
Microbiology, B.S. (https://coursecat.isu.edu/undergraduate/ls-skaggs-pharmacy-health-professions/pharmacy/biomedical-sciences/bs-microbiology/)	Degree	B.S.	Accelerated Biology, B.S. with Integrative Organismal Biology Concentration (See Biological Sciences Department for details) (https://coursecat.isu.edu/undergraduate/scienceengineering/biologicalsciences/bs-biology-iob/accelerated/)
Accelerated Biochemistry, B.S. (https://coursecat.isu.edu/undergraduate/ls-skaggs-pharmacy-health-professions/pharmacy/biomedical-sciences/accelerated-bs-ms-biochemistry/)	Degree	B.S./M.S.	Biology, B.S. with Integrative Organismal Biology Concentration (See Biological Sciences Department for details) (https://coursecat.isu.edu/undergraduate/scienceengineering/biologicalsciences/bs-biology-iob/)
Biochemistry, B.S. (https://coursecat.isu.edu/undergraduate/ls-skaggs-pharmacy-health-professions/pharmacy/biomedical-sciences/accelerated-bs-ms-biochemistry/)	Degree	B.S.	Science, A.S. (See Biological Sciences Department for details) (https://coursecat.isu.edu/undergraduate/scienceengineering/as-science/)
Accelerated Biology, B.S. with Biomedical Sciences Concentration (https://coursecat.isu.edu/undergraduate/ls-skaggs-pharmacy-health-professions/pharmacy/biomedical-sciences/bs-biology-biomedical/accelerated/)	Degree	B.S./M.S.	Biology, Minor (See Biological Sciences Department for details) (https://coursecat.isu.edu/undergraduate/scienceengineering/biologicalsciences/minor-biology/)
Biology, B.S. with Biomedical Science Concentration (https://coursecat.isu.edu/undergraduate/ls-skaggs-pharmacy-health-professions/pharmacy/biomedical-sciences/bs-biology-biomedical/)	Degree	B.S.	
Microbiology, Minor (https://coursecat.isu.edu/undergraduate/ls-skaggs-pharmacy-health-professions/pharmacy/biomedical-sciences/minor-microbiology/)	Minor		
Biology, B.A. with Biology Education Concentration (See Biological Sciences Department for details) (https://coursecat.isu.edu/undergraduate/scienceengineering/biologicalsciences/bs-biology-ecb/accelerated/)			
Biology, B.A. with Natural History Concentration (See Biological Sciences Department for details) (https://coursecat.isu.edu/undergraduate/scienceengineering/biologicalsciences/ba-biology-natural-history-concentration/)			
Accelerated Biology, B.S. with Ecology and Conservation Biology Concentration (See Biological Sciences Department for details) (https://coursecat.isu.edu/undergraduate/scienceengineering/biologicalsciences/bs-biology-ecb/accelerated/)
