

B.S. Nursing - R.N. Completion

Program Admission Requirements

Before applying to the BSN Completion program:

- Students must either
 - 1) Possess an associate degree in nursing, or
 - 2) Be enrolled in an associate degree in nursing program.
- Students must have a minimum combined GPA of "C" (2.0) in their previous nursing-specific courses.
- **Every prospective student must meet with the Nursing advisor to be eligible to apply to the program.**

The following courses may be taken either before students begin the BSN Completion program, or as co-requisite courses during the BSN Completion program.

Code	Title	Credits
Students must have a grade of "C" (2.0) or better in the Prerequisite/Corequisite Courses listed below.
