Overall grade point average of 2.5.

Achieve a grade point average of 3.0 or higher in the foundation courses (ART 1103, ART 1104, ART 1105, and ART 1106). Students who do not have a 3.0 grade point average in these foundation courses may, with the approval of their advisor, appeal to continue in their degree program and graduate as an Art major by submitting a portfolio for faculty review.

All major coursework must be completed with a C- or better grade. Courses with D or F grades, including Art electives, must be repeated and a higher grade earned before a student can qualify for graduation with a degree in Art. Individual Project courses (ART 3385) must be taken in the same medium when being repeated.

Department of Art will not accept any D or F grades in department courses

ART 3310 Professional Practice and Display or CMP 4438 Graphic Design Portfolio is required. We recommend that you work with your advisor regarding which class to take and the timing that would be most appropriate in your degree program.
