

B.A.S. Applied Science

Code	Title	Credits
	Career-Technical credits applied toward the BAS Degree	up to 50
	General Education Requirements	36
	Academic Coursework (all upper division credits)	36
	Total Credits Required (minimum)	120

A minimum of 12 credits must support the AAS technical coursework. All BAS students must earn a minimum of a 2.0 GPA in academic coursework for graduation. Non-business students are limited to total business credits equaling 25% of their credit total. Upper division academic coursework must relate to the student's approved goal statement. It is recommended that 24 academic credits be completed after degree plan approval.
