

# Industrial Automation Engineering Technology

---

Program Description	Type	Degree
Energy Systems Technology, I.T.C. ( <a href="https://coursecat.isu.edu/undergraduate/technology/energysystemstechnologyandeducationcenter/itc-energy-systems-technology/">https://coursecat.isu.edu/undergraduate/technology/energysystemstechnologyandeducationcenter/itc-energy-systems-technology/</a> )	Certificate	
Industrial Controls, Specialized Certificate ( <a href="https://coursecat.isu.edu/undergraduate/technology/energysystemstechnologyandeducationcenter/industrial-automation-engineering-technology/specialized-certificate-industrial-controls/">https://coursecat.isu.edu/undergraduate/technology/energysystemstechnologyandeducationcenter/industrial-automation-engineering-technology/specialized-certificate-industrial-controls/</a> )	Certificate	
Instrumentation and Automation Assistant, B.T.C. ( <a href="https://coursecat.isu.edu/undergraduate/technology/energysystemstechnologyandeducationcenter/btc-instrumentation-and-automation-assistant/">https://coursecat.isu.edu/undergraduate/technology/energysystemstechnologyandeducationcenter/btc-instrumentation-and-automation-assistant/</a> )	Certificate	
Industrial Automation Engineering Technology, A.A.S. ( <a href="https://coursecat.isu.edu/undergraduate/technology/energysystemstechnologyandeducationcenter/aas-industrial-automation-engineering-technology/">https://coursecat.isu.edu/undergraduate/technology/energysystemstechnologyandeducationcenter/aas-industrial-automation-engineering-technology/</a> )	Degree	A.A.S.
Applied Science, B.A.S. ( <a href="https://coursecat.isu.edu/undergraduate/technology/bachelor-applied-science/bas-applied-science/">https://coursecat.isu.edu/undergraduate/technology/bachelor-applied-science/bas-applied-science/</a> )	Degree	B.A.S.
Cyber Physical Systems Engineering Technology, B.A.S. ( <a href="https://coursecat.isu.edu/undergraduate/technology/energysystemstechnologyandeducationcenter/bas-cyber-physical-systems-engr-tech/">https://coursecat.isu.edu/undergraduate/technology/energysystemstechnologyandeducationcenter/bas-cyber-physical-systems-engr-tech/</a> )	Degree	B.A.S.
Electrical Engineering Technology, B.S. ( <a href="https://coursecat.isu.edu/undergraduate/scienceengineering/electrical-and-computer-engineering/bs-electrical-engineering-technology/">https://coursecat.isu.edu/undergraduate/scienceengineering/electrical-and-computer-engineering/bs-electrical-engineering-technology/</a> )	Degree	B.S.

## Accreditation

The Associate of Applied of Science program in Energy Systems Mechanical Engineering Technology is accredited by the Engineering Technology Accreditation Commission of ABET, <http://www.abet.org> (<http://www.abet.org>).
