Tutoring, Academic Support, and Peer Mentoring (TAP) Center

Overview

The Tutoring, Academic Support, and Peer Mentoring (TAP) Resource Center offers free peer tutoring, in either a group or one-on-one setting, to all College of Technology students. Tutors are available to facilitate student success in general education and program courses. Tutors can also assist with improving digital literacy (computer) skills.

The TAP Resource Center encourages students to seek help at the beginning of each academic semester to ensure success.
